

Other Screening Options

Family Support Network: Have your child screened in the following areas: Vision, Hearing, Speech, Behavior, Fine Motor Skills, Gross Motor Skills, and Dental. Screenings are FREE to Orange County residents. Space is limited. No appointments necessary and on a first come first serve basis. Hours are 8:30 to 11:00 AM. Please visit our [calendar](#) to find dates and locations of the screenings or call Family Support Network at (714) 447-3301.

Help Me Grow Orange County: Call 866-476-025 to talk with a Care Coordinator about your child's development and to request a screening. You can also request a screening through the Help Me Grow online portal. [Click here](#)

Pretend City Children's Museum: [Click here](#) for screenings at Pretend City Children's Museum or to access online ASQ screenings.

RSCCD Child Development Services: Preparing children for kindergarten through quality early education programs. Serving children 6 months to 5 years old in Center Based programs in Santa Ana and Orange and serving expectant women and children under 3 years old in Home-Based programs in Santa Ana. Programs include developmental screening for enrolled children. Please call 714-480-7547 or visit our [website](#) for more information.
