

OC Children's Screening Registry

OC Children's Screening Registry and ASQ Online

Frequently Asked Questions

1. What is the OC Children's Screening Registry?

The OC Children's Screening Registry is a free, HIPAA-compliant, online database designed to enable primary health care providers, early care and education and community-based providers to view and/or enter developmental and behavioral screening data and share information on referrals and outcomes. It includes five screening tools: Ages and Stages Questionnaires-Third Edition (ASQ-3); ASQ: Social Emotional-2 (ASQ: SE-2); Parents Evaluation of Developmental Status (PEDS); Modified Checklist for Autism in Toddler, Revised with Follow-up (M-CHAT R/F); Pediatric ACEs and Related Life-events Screener (PEARLS).

2. Is there a fee to utilize the Registry?

No, there is no fee to utilize the OC Children's Screening Registry.

3. Can I use the OC Children's Screening Registry without ASQ Online?

Yes! It is not required to use ASQ Online to utilize the free OC Children's Screening Registry.

4. What are the benefits of utilizing the Registry in addition to ASQ Online?

- The OC Children's Screening Registry allows you to:
- Share HIPAA compliant screening results with primary health care providers, early care and education and community-based providers.
- View screening results entered by other users with a HIPAA compliant authorization form.
- Access other screenings tool results such as the PEDS, M-CHAT R/F, and PEARLS.
- Seamlessly connect families to Help Me Grow Orange County to obtain services and/or resources for their child.
- View referrals and outcomes of those referrals made by your organization and other users to ensure linkage to services.
- Avoid duplicate screening.

5. Is there a way to share data between ASQ Online and the Registry?

Yes, an Application Programming Interface (API) has been developed. To utilize this API, there is a one-time set up fee of \$600 (for program level access) or \$1200 (for account level access) and an on-going annual maintenance fee of \$500.

If you are a school district representative, please contact your First 5 Orange County program lead for fee information.

6. If I purchase this Registry API, am I still responsible for my ASQ Online fees?

Yes. You will still pay your annual ASQ Online fees to Brooke's Publishing Co. In addition, you will need to purchase the annual ASQ Online API add-on. You may contact Brooke's Publishing for pricing (1-800-638-3775).
